Flores Cot

| Sizes | Width | Mattress length |
|----------|-------|-----------------|
| Standard | 36" | 72" |

Weight Limits: 25 Stone (158 kilos)

Specification: Lift 16", Start Height from 16"

Movements: Head up, Knee break, Hi/Lo

Options: Padding, Various colours, Extra Height Supplement - 6ft, Infra Red Remote

Lease: Yes

Hire: No

The Flores is made to fit the child. Padding can go anywhere around the cot, however it suits the client. This clear sided cot has the added benefit of no restriction of view. The frame is made of beech helping it to fit in any surroundings.

The standard colours for the padding are **Red**, **Blue**, **Lilac**, **Pink** or **Purple** but other colours are available on request.
